Date: May 21, 2026

WEEKLY CONTINUING MEDICAL EDUCATION (CME) PROGRAMME

This is to inform all faculty members that our Medical College shall be conducting Weekly Continuing Medical Education (CME) Sessions with the objective of promoting an integrated learning approach, interdisciplinary academic interaction, and a culture of continuous medical education among all departments.

The initiative aims to foster academic zeal, collaborative learning, and updated medical knowledge through active participation of faculty members from various specialties.

Schedule of CME Programme

- Day: Every Thursday
- Time: 2:00 PM – 3:00 PM
- Venue: Lecture Theatre 2 (LT-2 Block)

Objectives of the CME Programme

1. To encourage integrated and interdisciplinary medical learning.
2. To promote continuous academic development among faculty members.
3. To facilitate exchange of knowledge and recent advances in medical sciences.
4. To strengthen collaborative teaching and research culture within the institution.
5. To enhance teaching-learning methodologies and patient care practices.

All departments are requested to actively participate and contribute towards making this academic initiative meaningful and enriching.

Faculty members are encouraged to maintain punctuality and regular attendance for the successful conduct of the programme.
